- Borough Manager:**
1. VIBE has set the Community Yard Sale for May 2, 2020. The Borough Spring Cleanup is historically held the week following which would be May 5<sup>th</sup> and 6<sup>th</sup> this year. Motion by Jerome Ogden, Second by Henry Bartlett that Spring Cleanup be held May 5<sup>th</sup> and 6<sup>th</sup>. All in favor.
  2. A question was posted on Facebook about electronics being put out for cleanup. We cannot take any electronics at this time. NTSWA will host recycling events throughout the year for recycling electronics for a small cost. Once the dates are know we will share the same.
  3. The Borough is trying a new salt spreading technique. Prior to a storm, salt/sand is spread in the middle of the road and as cars drive over the salt, it is spread across the road. The theory is that the salt will be a base layer and will inhibit ice from forming. It seemed to work well prior to the last storm.
